SUPPLEMENTAL RESPONSE

COMMISSIONER FOR PATENTS

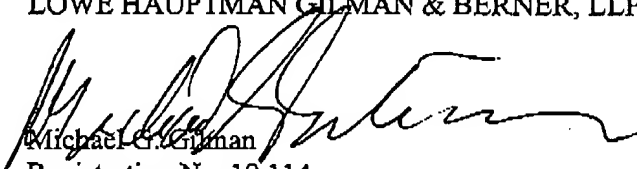

Washington, D. C. 20231

Sir:

Applicants would like to thank Examiner Helms for courtesy shown there representative during a recent telephone conference. In accord with the discussion during that conference there is being filed herewith an Information Disclosure Statement submitting three references that support applicants contention that the instant claimed compounds bind to previously unknown sites, sites to which the prior art compounds have not been reported to bind. It is submitted that theses references support the patentability of the instant claims.

Respectfully submitted,
